NOTE: Inquire about attractive leasing terms for software, maintenance, training, and/or hardware.

- (a) GIS\Key™ full system includes all database & graphic capabilities of the geology, hydrology, and chemistry modules. Drawing programs (AutoCAD or contouring software) must be purchased separately.
- (b) Local licenses: number of licenses determines the number of computers on which the software can be installed; Network License: number of licenses determines the number of concurrent users. Additional discounts may apply for multiple licenses and/or offices.
- (c) Prices assume training is performed with GIS\Solutions' internet or training is also available at the customer's facility (travel costs & expenses extra).
- (d) Annual Maintenance includes all GIS\Key™ upgrades issued during the contract year, plus call-in technical support except for Scout Web.

*** The GISKey Reader software is free for regulators and for existing users of GIS\Key (if installed on a computer that already has GIS\Key).

 - (f) Overtime work (i.e., more than 8hr/day or 40 hr/week) is billed at 1.5 times the appropriate rate category above.
- (2) Mileage will be charged at the rate of \$0.40/mile.
- (3) Telephone support for clients without maintenance contracts will be provided at hourly rates set forth above.

3. Billing and Payments Terms.

Invoices for software licenses will be prepared and payment is due prior to product delivery. Invoices for other charges are prepared and submitted monthly and payment is due upon receipt. Payment is past due thirty (30) days from invoice date. In the event that Licensee fails to make timely payments, Licensor may cease work immediately and reclaim all Software until payment for the invoice is received. All invoices due and unpaid in excess of thirty (30) days from receipt shall bear interest at a rate of one and one-half percent (1 1/2%) per month or the maximum rate permissible by law. Licensor's attorney fees or other costs related to collection of delinquent accounts shall be paid by Licensee.

4. Effective Period of Schedule.

This Schedule is subject to annual update.
